

QUADRANT

A collection shaped by precision, memory,  
and exploration.

Each cocktail is a study in balance—where  
technique meets intuition, and every  
ingredient carries intention. From bright  
expressions to deeper, late-night  
compositions, this menu invites you to  
move through contrast, texture, and quiet  
complexity.

Conceived and led by Beverage Director  
Carlos Boada,  
and brought to life through concept and  
visual direction by Marketing Associate  
Maritza Rondón.
